

Technical Panel on Labor Force participation Final Report

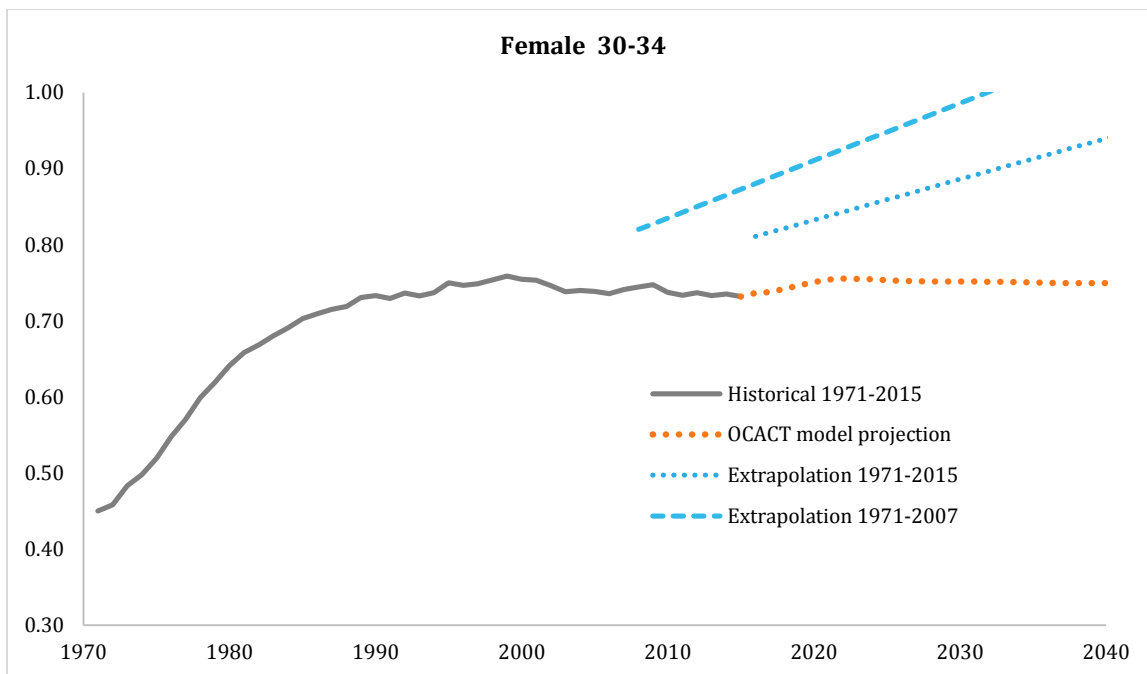

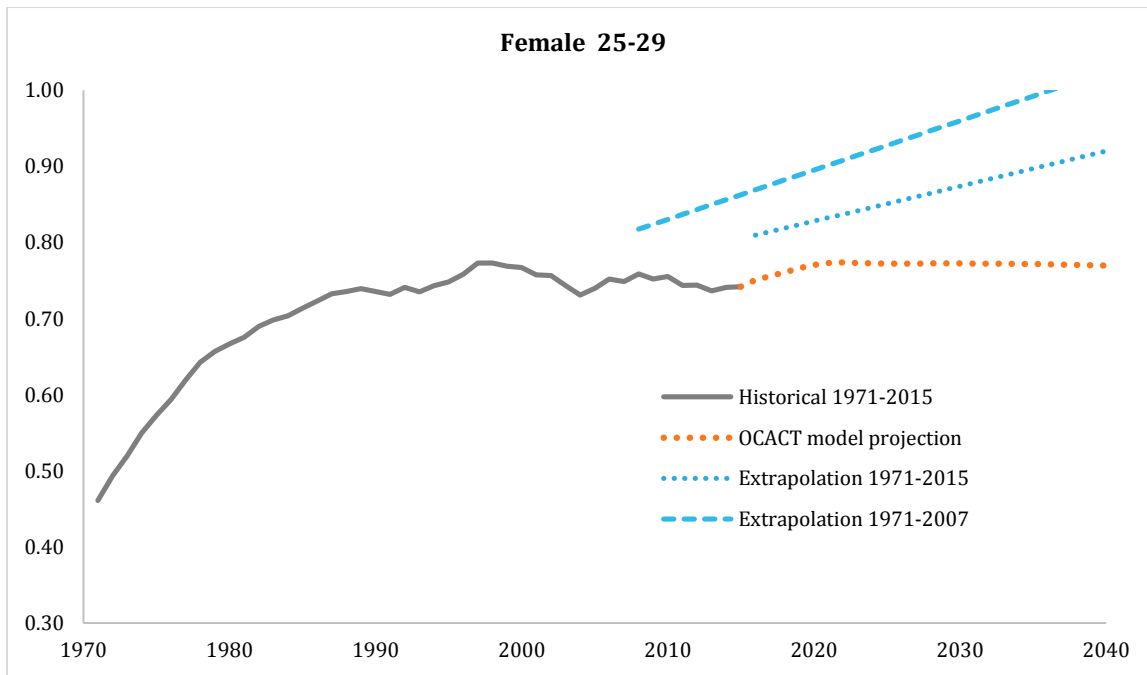

Appendix B

Female labor force participation rates by age groups

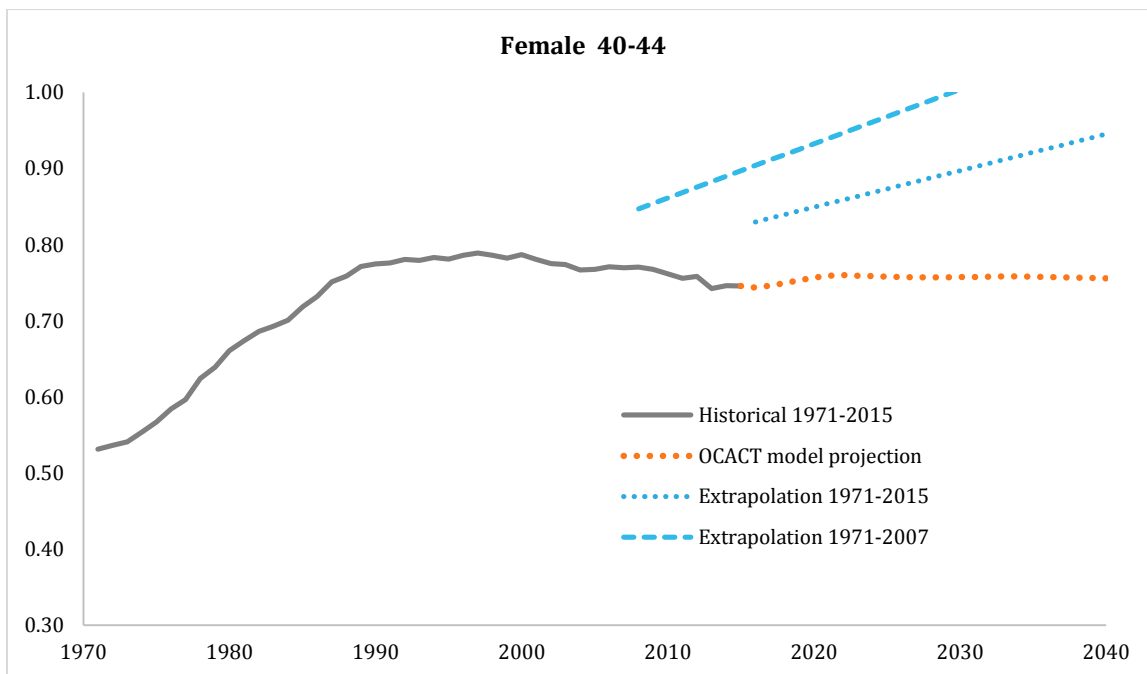

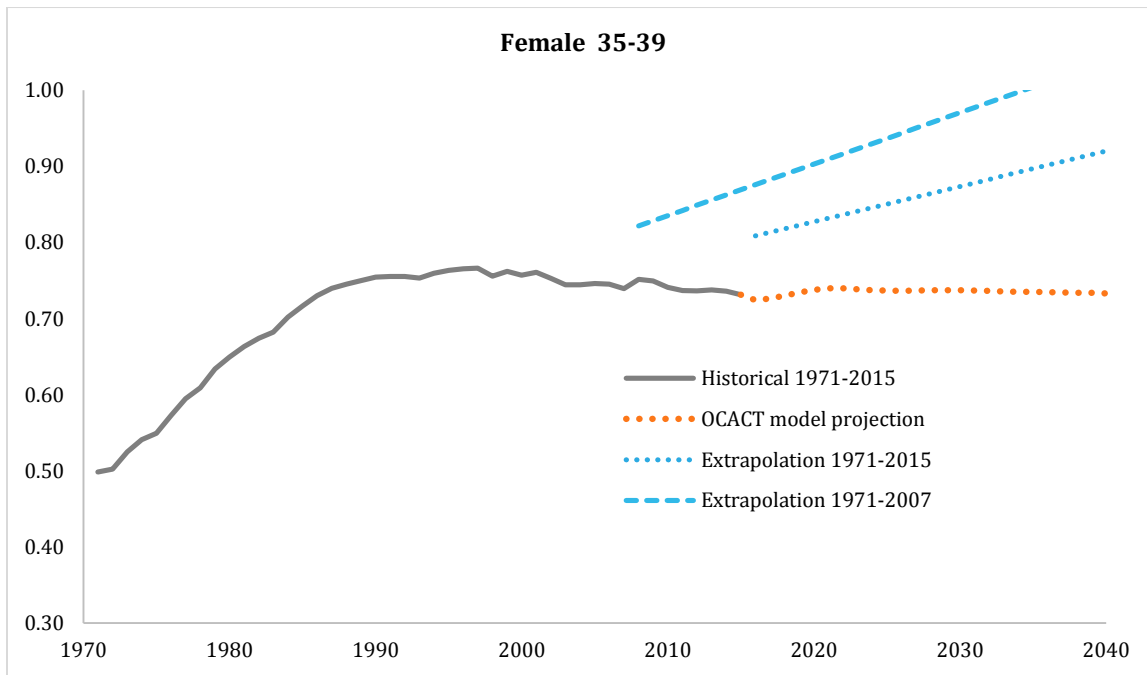

Comparison of OCACT model projection with extrapolation of linear trends from 1971-2007 and 1971-2015. (Extrapolation from 1990-2007 and 1990-2015 for age groups above 60).

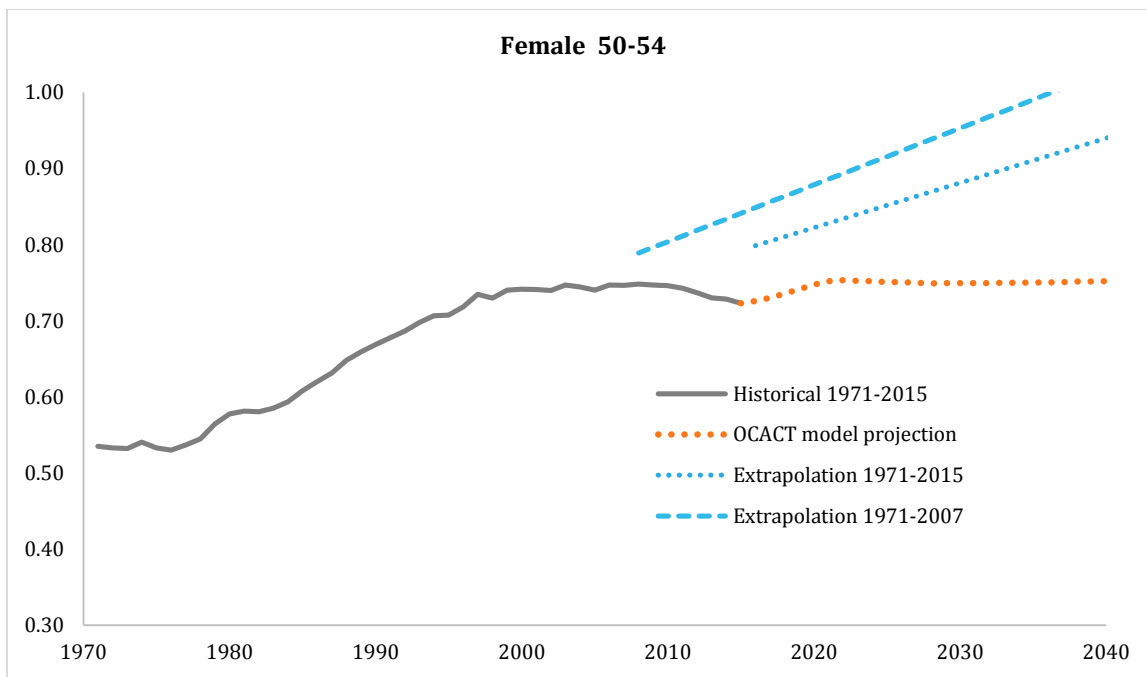

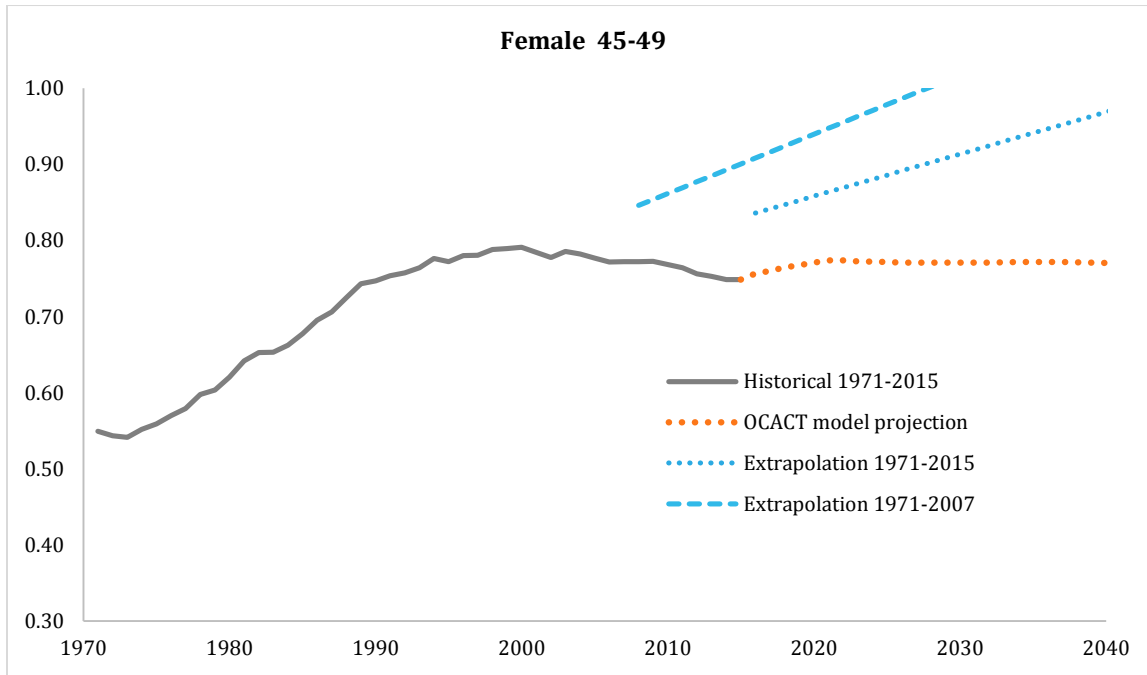

Female labor force participation rates by age. Comparison of OCACT model projection with extrapolation of linear trends from 1971-2007 and 1971-2015. (Extrapolation from 1990-2007 and 1990-2015 for age groups above 60).

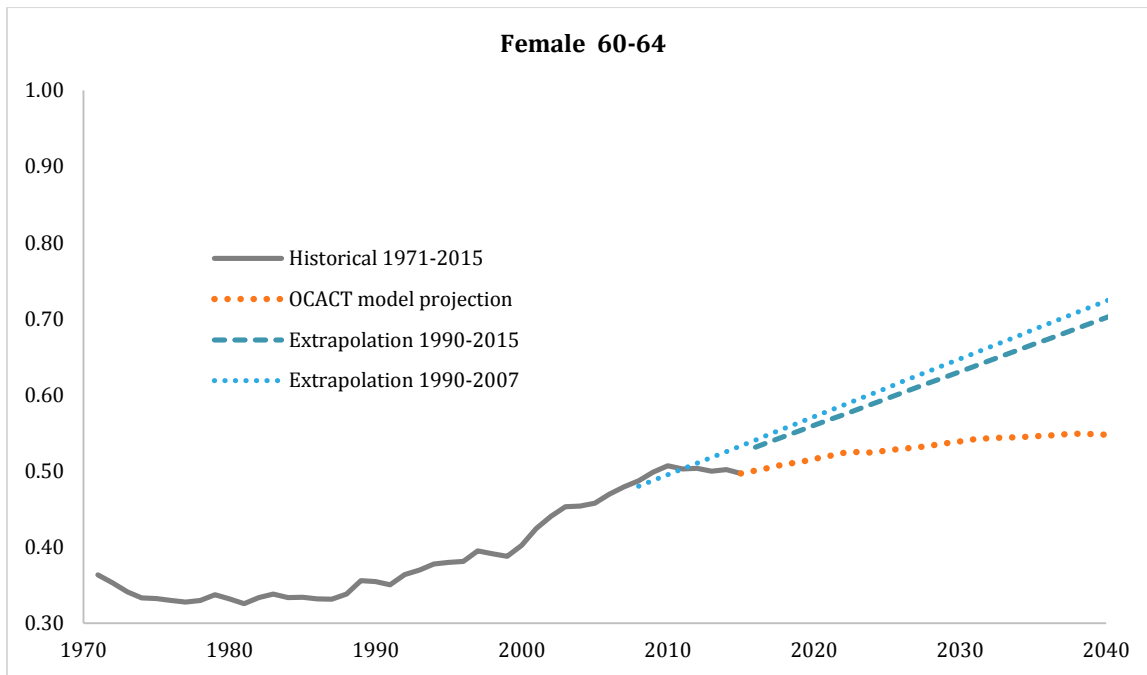

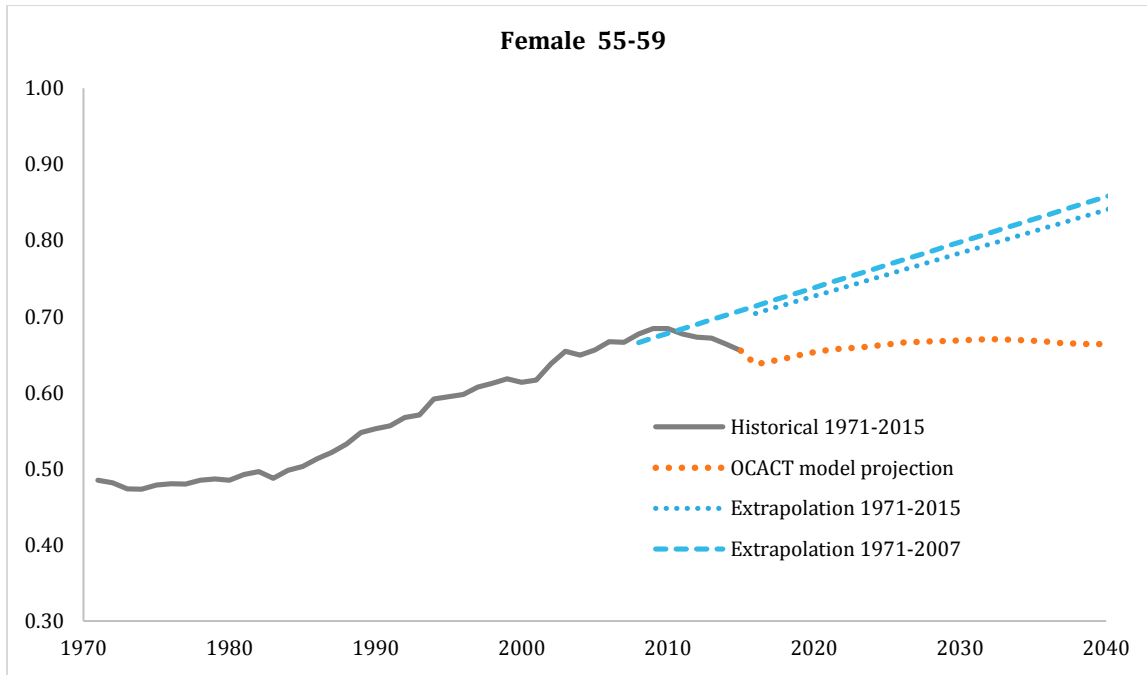

Female labor force participation rates by age. Comparison of OCACT model projection with extrapolation of linear trends from 1971-2007 and 1971-2015. (Extrapolation from 1990-2007 and 1990-2015 for age groups above 60).

Female labor force participation rates by age. Comparison of OCACT model projection with extrapolation of linear trends from 1971-2007 and 1971-2015. (Extrapolation from 1990-2007 and 1990-2015 for age groups above 60).

Female labor force participation rates by age. Comparison of OCACT model projection with extrapolation of linear trends from 1971-2007 and 1971-2015. (Extrapolation from 1990-2007 and 1990-2015 for age groups above 60).

Female labor force participation rates by age. Comparison of OCACT model projection with extrapolation of linear trends from 1971-2007 and 1971-2015. (Extrapolation from 1990-2007 and 1990-2015 for age groups above 60).
