## Systems Speaker Series: Modernizing Legacy IT Systems

May 21, 2021

### Speaker Bios

**Kevin C. Walsh** is the Director of Information Technology (IT) and Cybersecurity at the Government Accountability Office (GAO). Walsh oversees work related to Chief Information Officer (CIO) authorities, Department of Homeland Security and Department of Defense systems, legacy modernizations, satellite and space systems, coordination of IT contracts, and assessments of IT-related risk. Walsh joined GAO in June 2006 and earned an MBA from Virginia Tech and a bachelor's degree in economics from the University of Maryland, College Park.

**Robert Klopp** is the Owner/Principal Consultant of Skyland Digital Services, Inc. Klopp previously was a Presidential appointee and served as Social Security's Deputy Commissioner, CIO, and Chief Technology Officer, managing a budget of \$1.2 billion. Klopp's achievements at Social Security included establishing a modern cloud platform strategy and an agile customer-oriented development methodology. Klopp also implemented software engineering best practices across the agency.
